

Instruction for Writing a Full Paper Using This Template

(The article title should be 28-point, Times New Roman, bold)

Zhi-Jian Lin¹, Zhao-Shun Yang¹, Yu-Shan Chen²

(Use 14-point, Times New Roman for author names, and 11-point, Times New Roman for author affiliations.)

¹ Research and Development Department, ASCS Corporation

Please enter the affiliated address here.

² Research and Development Department, ASCS Corporation

Please enter the affiliated address here.

(leave one line of space)

Key words: Enter five or more important key words extracted from the title and the abstract, arranged in order of importance (12-point, Times New Roman).

(leave one line of space)

Abstract

Insert an abstract of 200–300 words (12-point, Times New Roman).

1. Introduction

Insert the introduction here. Please use 12-point, Times New Roman for the text.

2. Materials and Methods

Insert the materials and methods here.

2.1. Insertion of figures and tables (capitalize the first word of a sentence)

Please insert the tables and figures in either the upper or lower portion of the appropriate page. For figure captions, write “Fig.-0” below the figure, and for tables, write “Table-0” above the table. Then, write the caption and description after the table/figure number.

2.2. Preparation of tables

Please use 12-point, Times New Roman for tables.

Insertion of formula

In principle, write equation in the following format:

$$\frac{a}{b} * \frac{a+b}{c+d}$$

However, when describing equations within the text, present them in one line as follows:

$$a/b * (a + b)/(c + d)$$

Fig.-1 Jade mountain

Jade mountain, also known as Yushan, is the highest mountain in Taiwan with altitude of 3952 meters.

Table-1 Results of the number and type

	Number	Type
	5	A
	7	C
	3	B
	11	B
	8	A

A: white, B: red, C: pink

3. Results

Insert the results here.

4. Discussion

Insert the discussions here.

5. Conclusion

Insert the conclusion here.

6. References (Please list important 5~10 references)
